

Sugar Sand Park Community Center
300 S. Military Trail
Boca Raton, FL 33486

Welcome! We hope that you are as excited as your students about your upcoming visit to the Children's Science Explorium. A fun-filled and educational experience awaits you. To ensure that your visit to Sugar Sand Park is an enjoyable one, we remind you of the following policies and suggestions:

Most importantly:

- ◆ It is **mandatory** to stay and supervise assigned students **at all times**.
- ◆ Chaperones and teachers are responsible for student behavior. If behavior is inappropriate your school will be asked to leave the premises.

Prior to arrival:

- ◆ Make sure to know the names and number of students in your group. Nametags are helpful.
- ◆ Review the day's agenda with the lead teacher. Share the trip's activities with students. This will help prepare them for the day ahead.

During your visit:

- ◆ Do an occasional head count to ensure that each student is present. We recommend doing this when changing activities, during bathroom breaks, and when entering and exiting the building.
- ◆ Encourage questions! We often find that questions are a reflection of what the entire group is wondering.
- ◆ If you do not know an answer, ask a staff member. Explorium staff are readily available to help, and will try to answer any questions.
- ◆ Food and drinks are not allowed in the Explorium.
- ◆ Shoes and shirts are required inside the buildings.
- ◆ Please be sure the students are dry before entering the building. The air conditioning gets cold!
- ◆ Lastly, HAVE FUN! Learn with your group. Your interest and excitement is contagious!
